Author Block: Donald Brabbins, Daniel Krauss, Peter Chen, Sheldon Weiner, Jannifer S. Stromberg, Michelle Wallace, Christine Mitchell, Erin Cook, Alvaro Martinez

Abstract accepted by American Society of Therapeutic Radiation Oncology - *International Journal of Radiation Oncology*

WORK EXPERIENCE

GUARANTEED RATE, INC., CHICAGO, IL NOVEMBER 2010 – JULY 2011

Underwriting Liaison

Facilitated the underwriting process by updating closing conditions for Loan Officers, Lenders, and Investors

Instituted a template system for closing conditions now utilized by all Underwriting Liaisons; the template makes the conditions process about 70% more efficient

Suggested, planned, and executed the Underwriting Liaison Training Manual for program roll-out

Actively participated in company group activities; aided in the GRI Realtor Holiday Party, member of a company bowling team, and participant in GRI Runners' Club

MORNINGSTAR, INC., CHICAGO, IL OCTOBER 2007 – FEBRUARY 2009

Account Executive

Maintained a Book of Business consisting of approximately 1500 clients

Generated new business by contacting potential clients, discussing their needs, and aligning these with Morningstar financial research products

Earned **President's Award, April 2008: Highest Sales** on the Advisor Inside Sales Team

SMART BUSINESS ADVISORY & CONSULTING, LLC, CHICAGO, IL JULY 2006 – OCTOBER 2007

Consultant

Performed Internal/External Audit testing, process documentation, and report writing

Wrote proposals for potential new clients, aided in successfully landing new clients

Actively involved in campus recruiting efforts through career fairs and interview process

ORYX CAPITAL INTERNATIONAL INC, LAKE FOREST, IL MAY 05-JULY 05

Private Equity Firm, Summer Internship

Reviewed and analyzed financial statements and business models

Researched and wrote industry analyses of prospective investments

Drafted investment memorandums for the Executive Investor Committee

UNIVERSITY OF NOTRE DAME DEVELOPMENT, SEPTEMBER 04-DECEMBER 04

Donation Solicitor

Solicited donations from alumni and University affiliates

Achieved success rate of 30% higher than average

SEI INVESTMENTS, DUBLIN 2, IRELAND, JUNE 04-AUGUST 04

Hedge Fund Administration Firm, Summer Internship

Updated dealing boards for multiple hedge funds

Fielded client phone calls and answered questions

Recovered and reviewed missing hedge fund subscription documents

Organized hedge fund outing

General administrative duties

FEDERAL SIGNAL CORPORATION, OAK BROOK, IL, MAY 03-AUGUST 03

Corporate Legal Department, Summer Internship

Composed position statements and drafted response letters

Coordinated, participated in and documented depositions and interviews for current cases

Researched and organized discovery materials for new cases

SCHOOL ACTIVITIES & COMMUNITY INVOLVEMENT

M4 TEAM LEARNING, Omaha, NE OCTOBER 2014-FEBRUARY 2015

Co-Organizer and Volunteer

Organized senior medical student volunteers and edited handouts for freshmen medical students for 8 events
Guided first year medical students' development of physical exam skills to prepare them for clinical skills exams and future patient interaction

CREIGHTON MEDICAL STUDENT GOVERNMENT, OMAHA, NE 2011-2014

Class of 2015 Social Co-Chair, 2011-2013

Organized social events at local businesses to promote class camaraderie and school-life balance

Treasurer, 2013-2014

Managed Creighton Medical Student Government budget of \$52,000 and was responsible for vendor and student reimbursement
Attended all meetings for CMSG planning and ongoing projects

MAGIS PSYCHIATRY CLINIC FOR UNINSURED AND UNDERINSURED MEMBERS OF THE OMAHA COMMUNITY, OMAHA, NE 2014

Student Doctor Volunteer

Interviewed patients for psychiatric medication refills and staffed each case with a local MD volunteer Psychiatrist at the Siena/Francis House and Homeless Shelter, the largest in Nebraska, via the free Magis Clinic run by Creighton medical students
Worked with freshman and sophomore medical students and helped guide them through the patient interview process, as well

ST. PATRICK'S CATHOLIC ELEMENTARY SCHOOL, OMAHA, NE FEBRUARY 2014

Science Fair Judge, 6-8th Grades

Volunteered to help judge and grade 6th, 7th, and 8th grade elementary students' science fair projects at a local Catholic elementary school

I was the only judge on the panel to offer "extra credit points" to certain students for enthusiasm, charisma, and effort

PROJECT CURA, BUCHAREST, ROMANIA SUMMER 2013

Student Doctor Volunteer

Travelled to Romania with a small group of classmates to administer medical care, supplies and medications to those in need
Observed the cultural as well as medical practices typical to Romania

CREIGHTON PREMEDICINE UNDERGRADUATE STUDENT ADVOCATE, OMAHA, NE 2011-2012

Undergraduate Student Advocate

Volunteered to allow Creighton undergraduate students to shadow me while in Gross Anatomy Lab and classes at the medical school

Enabled one student in particular to overcome her fear of fainting while in the Gross Lab – she excelled and was able to participate in the dissection by the end of the lab

AMERICAN MEDICAL ASSOCIATION, OMAHA, NE 2011-2012

Class of 2015 Representative

Served as class recruiter and liaison for the Creighton School of Medicine AMA Chapter

MOVEMBER FUNDRAISING TEAM "CUSOM CLASS OF 2015 MO-DICAL STUDENTS"

OMAHA, NE SEPTEMBER 2012-NOVEMBER 2012

Organizer and Founder

Founded the team representing our medical school class to support the "Movember" annual event to raise awareness of men's health issues, such as prostate cancer and other male cancers, and associated charities

Fostered class camaraderie as male classmates grew moustaches during the month of November, as is customary with this fundraiser

Designed and sold t-shirts for additional fundraising, organized the event at a local pub, and contributed over \$300 in proceeds to the cause

FIT 4 LIFE, OMAHA, NE MARCH 2012**Volunteer**

Visited a local elementary school and built "ants on a log" with 2nd grade students to promote healthy snacks, such as the celery, peanut butter and raisins

Discussed the importance of exercise and a healthy diet with the children to promote good future habits and help combat child obesity

ONEWORLD COMMUNITY HEALTH CLINIC ANNUAL HALLOWEEN EVENT, OMAHA, NE OCTOBER 2011**Volunteer**

Dressed in a fairy costume and helped guide young families and children, mostly from lower socioeconomic strata, around the free Halloween event held by OneWorld, a local medical clinic for the underserved

Aided in providing a safe, fun and educational Halloween experience for over 1,000 children and families in the area

YOUNG MOTHER ADVOCATES PROGRAM, OMAHA, NE 2011-2012**Young Mother Advocate**

Provided support and advocacy during pre- and post-natal medical appointments for a young, single, pregnant woman living at Bethany House: a local non-profit shelter that provides basic needs and a safe home for young expectant mothers who have no other social or financial support

Attended prenatal appointments, delivery, and post-natal appointments with the young mother to support her throughout the process

Helped the young mother face various challenging social and financial situations throughout our time together

Encouraged and facilitated my young mother's participation in therapy sessions during pre- and post-natal periods to aid in her healing from past traumas and to prepare her for motherhood
