### Key (CAPI & CAPII)

**Site 1 (primary)**
- University of Wisconsin Hospitals and Clinics (UWHC)

**Site 2**
- UnityPoint Health/Meriter (UPH-Meriter)

**Site 3**
- Mendota Juvenile Treatment Center

**Site 4**
- Madison Metropolitan School District

**Site 5**
- Rogers Behavioral Health

**Site 6**
- The Rainbow Project

* These sites are less than one month FTE and are, therefore, not listed as a Participating Site in ADS.

### Notes

1. Supervision time is not included above. In both years of training, each fellow has one hour/week of individual psychotherapy supervision and one hour/week of individual MD/DO supervision.
2. Fellows are given three weeks (15 weekdays) of vacation each academic year. Vacation may be taken during any month/rotation in other year.
3. CAPI elective options include:
   - Academic Track
   - AODA at Connections Counseling or UW-Madison University Health Services (varies)
   - Brain Injury/TBI at UW-Madison Waisman Center (varies)
   - Community psychiatry at Aresis Therapy or Journey Mental Health Center (varies)
   - Consultation liaison at UWHC American Family Children’s Hospital (varies)
   - Developmental disabilities at UWHC Waisman Center (varies)
   - Dialectical behavior therapy at UW-Madison WSHC (varies)
   - Eating disorders at UW-Madison WSHC or UW-Madison University Health Services (varies)
   - Intensive outpatient services at UPH-Meriter (varies)
   - Neuropsychology testing at UWIC (varies)
   - Neuropsychology testing at UWIC (varies)
   - Neurocognitive testing at UWIC (varies)
   - Psychopharmacology at UW-Madison University Health Services (varies)
   - Psychotherapy at UWIC (varies)
   - Sleep at UWIC Wisconsin Sleep Clinic (varies)
4. If an elective is not offered (and with program approval), fellows may create a new elective at a current/new site.
5. In CAPI and CAPII, fellows may participate in required school consultation and emergency psychiatry (i.e. at-home emergency call experience that is not included in the block diagram). These rotations are scheduled throughout the academic year and supersede the scheduled rotation. Fellows spend 28 hours per year on the school consultation experience, providing school consultations to the Madison Metropolitan School District and to local preschools. Fellows are on call for after hours emergency phone consultation (at home) from the UWIC Emergency Department for one week every 3-6 weeks through February of each academic year.
