LEARNING OBJECTIVES

By participating in this educational activity members of the healthcare team will be able to:

1. Describe the latest developments in the treatment of post-partum depression.
2. Explain the assessment and treatment of adults with attention-deficit/hyperactivity disorder.
3. Appreciate advances and limitations in our current understanding of the use of psychedelic medications for psychiatric disorders.
4. Assess the risk of suicide or violence in a child or adolescent with mental illness.
5. Describe the risks and benefits of using clozapine and long-acting injectable antipsychotics in people with severe & persistent mental illness.
6. Implement diversity, equity and inclusion strategies in one's clinical practice.
7. Describe the assessment and management of substance use disorders in older adults.
8. Describe the assessment and management of gender dysphoria.

POLICY ON DISCLOSURE

It is the policy of the University of Wisconsin-Madison Interprofessional Continuing Education Partnership (ICEP) to identify, mitigate and disclose all relevant financial relationships with ineligible companies* held by the speakers/presenters, authors, planners, and other persons who may influence content of this accredited continuing education (CE). In addition, speakers, presenters and authors must disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation. Detailed disclosures will be available prior to the start of the activity.

**Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by, or on, patients.*

The ACCME does not consider providers of clinical services directly to patients to be ineligible companies.

ACCREDITATION INFORMATION

JOINTLY ACCREDITED PROVIDER*
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the University of Wisconsin-Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

The University of Wisconsin-Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for 0.625 continuing education units (CEUs) or 6.25 hours.

The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

The University of Wisconsin-Madison ICEP designates this hybrid activity for a maximum of 6.25 ANCC contact hours.

The University of Wisconsin-Madison ICEP designates this hybrid activity for a maximum of 6.25 ANCC contact hours.
